September 30th 2019.

TO WHOM IT MAY CONCERN

I herein declare that Mr. Laercio Pioli Jr took part, as an undergraduate student researcher, in the FLAME project, developed at the FrameNet Brasil Computational Linguistics Lab at the Federal University of Juiz de Fora, from September 1st 2017to February 28th 2018. Mr. Pioli Jr's activities in the project involved both backend and front end development for the m.knob app.
